

# We need to make a change.

After 10 years in Olympia, Kevin Van De Wege (D) has lost his way. He's turned his back on our district by voting 98% of the time with urban Seattle special interests. He voted to cut education funding while raising taxes on working families. We can't afford to send Kevin Van De Wege to the State Senate.

# DANILLE Turissini

for STATE SENATE

Danille wants to get rid of the partisan gridlock. We can't keep electing the same people and expect a different result. Danille will provide genuine independent leadership to get results for our local communities.

## Improve Our Local Schools

"We need to fulfill our funding obligations to education. But it's not just about money. We need to support vocational training to prepare our kids for a broad range of careers in today's global economy."

## Government Accountability

"I will hold state government accountable with your tax dollars. We need to cut wasteful spending, improve efficiency, stop imposing unnecessary laws and onerous regulations, and keep taxes in check."

Danille Turssini (Independent GOP) is a local leader who will build bridges, not barriers in the State Senate.
